**Heartfulness Day-3**  
**“Tool of Connect”**

A 3-day experiential workshop on Stress and Self-Management, titled “For the Doctors by the Doctors,” was concluded on 8<sup>th</sup> September 2024 by IMA Nagpur in association with Heartfulness Nagpur at IMA Hall.

Dr. Manish Kulkarni, M.S. Ortho and Director of Dhanwantri Hospital, Pune was the Speaker. He covered and guided through the tool of Connect

He said “In today's world, we face various types of pollution—water, air, plastic, and soil— affecting our environment and health. Despite our efforts to address these issues, success has been limited. The root cause of these problems is “Thought Pollution.” The state of our thoughts and emotions is linked to the condition of our heart, which, in turn, affects our mental, emotional, and spiritual well-being.

He further said “Heartfulness offers a heart-centered approach to life. In this workshop, you will experience the four key tools: Relax, Meditate, Rejuvenate, and Connect.

7<sup>th</sup> September to 11<sup>th</sup> September 2024

## CME on AIRWAYS Update

IMA, Nagpur in association with KIMS Kingsway Hospital, Nagpur, successfully conducted the Conference on “Airway Update 2024” on 29th September 2024. This esteemed event brought together renowned pulmonology experts from across the country to discuss the latest advancements in airway diseases.

The conference featured a distinguished panel of speakers, including Dr. SK Jindal (Former HOD PGI Chandigarh), Dr. DJ Christopher (Founder and former head CMC, Vellore), Dr. Pralhad Prabhudesai (Senior consultant Lilavati Hospital, Mumbai), and Dr. Dipesh Maskey (Senior consultant, Narayana Hospital, Raipur). These experts shared their insights and experiences, providing valuable knowledge to attendees.

A significant highlight of the event was the inauguration of a dedicated asthma clinic at KIMS Kingsway Hospital. The clinic, which will be open every Tuesday, aims to provide comprehensive care and support to patients suffering from asthma. Dr. Tuhar Gawad, CEO of KIMS Kingsway Hospital, and Dr. Manjusha Giri, IMA President, Nagpur inaugurated the clinic along with the esteemed speakers.

Dr. Sameer Lote, interventional pulmonologist, served as the organizing chairman of the conference, while Dr. Abhishek Faye, interventional pulmonologist, acted as the organizing secretary. The event emphasized the importance of proper treatment for asthma and COPD and other airway disorders.

The Airway Update 2024 conference was a resounding success, providing a platform for healthcare professionals to stay updated on the latest developments in airway management.

More than 120 delegates attended the Conference.
