8th March 2025

ORGAN DONATION AND BREAST CANCER AWARENESS TALKS & SCREENING AT DPS, MIHAN

On the occasion of International Women's Day – the Indian Medical Association (IMA) Nagpur, in collaboration with Government Medical College (GMC) Nagpur, conducted an Organ Donation Awareness and Breast Cancer Awareness event at DPS, MIHAN, Dahegaon. The event aimed to educate the staff and teachers about the importance of organ donation and early detection of breast cancer.

Dr. Sameer S. Jahagirdar, Vice President of IMA Nagpur, delivered an insightful talk on Organ Donation Awareness, shedding light on the significance of organ donation and how it can save lives. Dr. Vipin Kursunge, Lecturer in Surgery spoke about Breast Cancer Awareness, highlighting the importance of early diagnosis, preventive measures, and self-examination.

Dr. Prajakta Kaduskar, Hon. Secretary of IMA Nagpur, and Dr. Shailesh Gahukar, Hon. Treasurer of IMA Nagpur, were also present and played a key role in the success of the event.

The awareness talks were well-received by the audience, and the event saw the participation of around 80 teachers and staff members who actively engaged in the discussions. The screening program was also appreciated for its efforts in promoting health awareness and encouraging proactive health measures.

This initiative reinforces the commitment of IMA Nagpur and GMC Nagpur to raise awareness on critical health issues and improve the overall well-being of the community.

8 March 2025

INTERNATIONAL WOMEN'S DAY CELEBRATION AT RST CANCER HOSPITAL

On the occasion of International Women's Day, RST Cancer Hospital organized a grand event to honor women and raise awareness about their health and empowerment. The event was held within the hospital premises, with enthusiastic participation from doctors, dignitaries, staff, and women who have battled cancer.

The chief guests included Mr. Sunil Kedar, Vice President of the Cancer Relief Society, renowned pediatrician Dr. Uday Bodhankar, and Dr. Manjusha Giri, President of IMA Nagpur. The dignitaries shared their thoughts on the vital role of medical facilities in promoting women's empowerment and health.

The program began with a play presented by the students of MSBET, highlighting the importance of women's health and empowerment.

A major highlight of the program was a presentation on cancer statistics related to women by Dr. Revu Shivkala from the Cancer Registry Department. Additionally, Dr. Madhuri Gawande gave a lecture on cervical cancer (uterine cancer) and the importance of the HPV vaccine, while Dr. Harish Kela emphasized the significance of early detection of breast cancer.

On this occasion, 10 courageous women cancer survivors were felicitated and honored for their bravery and resilience. Their inspiring stories provided new hope and motivation to everyone present.

8 March 2025

12th March 2025

INTERVIEW WITH NATIONAL PRESIDENT

In the press meet Dr. Dilip Bhanushali, National President, IMA HQs appealed to increase countrywide IMA Membership, which is currently less than 25% of Nation's doctors. IMA HQ has launched a membership drive to expand its reach and reduce certain elements of membership fees till 31st of March 2025.

He further stressed on the safety issue of Medical Professionals and to address this issue, he told that there will be continuation of campaign for the Central Law that would protect doctors Nationwide.

He also raised concerns about financial burden of healthcare and insisted on exemption of GST on life saving medication, medical equipment and hospital bills.

He further acknowledged the increasing prevalence of life style disorders in India, citing obesity as a significant concern. He noted that there is need to reduce the consumption of junk food at the same time he appreciated PM Shri. Narendra Modi's "Fit India Mission" as an important step towards "Healthy India".

He also expressed that there should be more of recognition of doctors' contribution towards society than highlighting mistakes.

He quoted the example of sorry state of affairs at the time of COVID when the Nation lost around 2000 doctors but inspite of assured Rs.50 Lakh each to the next kin, no compensation has been received till to date.

12th March 2025
